7. 設計導則 | ENTRY SUBMISSION

7.1. 背景 | BACKGROUND

蓄勢待發的橫琴粵澳深度合作區，地理位置優越，加之政策和經濟的大力支持，在城市建設和建築發展方向上，特別強調以下幾個方面：

- **高科技與綠色建築：**採用現代科技和可持續材料，推動綠色建築和智能建築的發展，包括節能減排、環境友好型材料的使用，以及智能化管理系統的集成。
- **文化與創意融合：**建築設計注重文化元素的融入，尤其是中西文化的結合，通過藝術展覽、文化活動的空間設計來強化，豐富城市的文化景觀，促進創意產業發展。
- **開放式和多功能空間設計：**靈活多變和多功能的建築設計，適應不同類型的商業、居住和娛樂用途，支持創新和創業活動的開展。
- **國際合作與交流：**很多建築項目是中外合作的成果，帶來先進的設計理念和技術，增強橫琴在國際建築領域的地位。
- **景觀和城市空間的整合：**注重城市空間與自然景觀的和諧共生，通過公共空間和景觀設計提升城市居住質量。

The Hengqin Guangdong-Macao In-depth Cooperation Zone, poised for action, is strategically located and strongly supported by policies and economic backing, emphasizing the following aspects in urban construction and architectural development:

- **High Technology and Green Building:** Utilizing modern technology and sustainable materials to promote the development of green and intelligent buildings, including energy conservation, emission reduction, the use of environmentally friendly materials, and the integration of intelligent management systems.
- **Cultural and Creative Integration:** Architectural design focuses on the integration of cultural elements, especially the combination of Eastern and Western cultures, enhanced through the design of spaces for art exhibitions and cultural activities, enriching the city's cultural landscape and promoting the development of the creative industries.
- **Open and Multifunctional Space Design:** Flexible, versatile, and multifunctional architectural designs that adapt to various types of commercial, residential, and entertainment uses, supporting innovation and entrepreneurial activities.
- **International Cooperation and Exchange:** Many architectural projects are the results of international collaborations, bringing advanced design concepts and

technology, enhancing Hengqin's status in the international architecture community.

- **Landscape and Urban Space Integration:** Focusing on the harmonious coexistence of urban spaces and natural landscapes, enhancing the quality of urban living through the design of public spaces and landscapes.
